ADDENDUM #2

Roanoke Island Festival Park
Wayfinding, Visitor Center, and Museum Improvements
ID#060841801A

This addendum forms a part of the contract documents and modifies the original drawings and project manual dated December 2012. The enclosed additions, deletions, corrections, and changes shall be as binding as if incorporated in the original documents. All General Conditions, Special Conditions, etc. as originally specified shall apply to these items. Acknowledgement of receipt of this addendum will be required as part of the contract agreement.

Item 1 The bid date, time, and place remain the same: January 29th 2013, at 3:00pm at the NC Department of Cultural Resources, in the first floor auditorium, 109 East Jones Street, Raleigh, NC.

Item 2 The Form of Proposal has been revised and included as **Attachment #1**.

Item 3 Section 012300
Revise Alternate #7 to read: Provide fishing simulator and accompanying wall partition and cabinet in Adventure Museum as well as an additional electrical outlet.

Item 4 Section 012300
Alternate #14 is for the relocation of the existing artificial tree. **Attachment #2 and Attachment #3** have been provided as additional information. The requirement for graphic image procurement, rights, permissions, and scans has been deleted and replaced with the requirement for relocating the existing tree. See sketches SK001 and SK002 for details.
Add the following to Alternate #14: Scope includes a new wall partition and modifications to graphic panel P2-24.

Item 5 Section 115500 Part 1.7.C Prototypes revise to read:
Prepare and demonstrate prototypes on site for AV#1 (one screen), AV#3, AV#6, AV#9, AV #11, and AV #13 for approval by Owner and Designer prior to final production – See Section 115500 Part 1.1.C for additional details.

Item 6 Section 115500 Audio Visual and Interactive Systems 1.1B:
Revise 1.1B to read: Contractor is responsible for all hardware listed.

Item 7 Delete Section 115500, Part 1.1.C.7.ii.3
Requirement "To program video clips as needed to allow visitors to select individual videos."

Item 8 The Wayfinding Signage Schedule that is on Drawing A7.02 will be provided by the designer post bid.

Item 9 The Artifact/Prop Mount Schedule that on Drawing EX0.07 through Ex0.08 has been included as **Attachment #4**.

Item 10 The Graphic Panel Schedule that is on Drawing EX0.03 through EX0.06 has been included as **Attachment #5**.

Item 11 Sheet EX1.03:
As a clarification, Alternate #7 is incorrectly labeled as a "Fishing Simulator" on Sheet EX1.03.

Item 12 Question addressed: *What is the level of production effort expected on each of the programs that require existing video to be edited down? Will it simply be paring down the existing footage, or will there be narration, sound effects, captioning etc.?*

The level of production effort will be to simply pare down the existing footage based on recommendations made by the Designer. Closed captioning shall be required for AV#3, AV#7, AV#11, and AV#12. The addition of new video, narration, or sound effects will not be required.

Item 13 Question addresssed: *How will the audiovisual equipment for these exhibits be started up and shut down each day? There appears to be no centralized control. Are the power circuits at each location going to switch on and off for daily operation?*

All audio-visual equipment will be localized and require surge protection. Staff will need to start up and shut down equipment easily via access panels, switches hidden, or automatic timers.

Item 14 Sheet EX1.02
Delete the requirement for "General Note #3: Remove and return all props to owner." Contractor is still responsible for installing props as shown in the construction drawing package.

Item 15 Drawing A2.03:
Question addressed: *Can you confirm that the model of Elizabeth II that gets installed in the Exhibit Kiosk exists and will be provided to us by the owner, and that it does not require a new mount?* This is a separate model not on the artifact schedule. The model is existing and does not require a new mount.

Item 16 AV#3: Birth of a Colony Video
Questions addressed below:

A. *Will this require a new script?* No
B. *Will this require a new narration?* No
C. *Will this require new music and sound effects?* No, but it will require Closed Captions.

D. *What is the format of the current presentation?* To be determined.
E. *Are unmixed audio tracks available from the original video or will we be recreating new audio?* No

Item 17 AV#7: Sportfishing Video
Questions addressed below:
A. *What is the format of the footage provided?* To be determined.
B. *What is the nature of the animated start up screen clip…what is the level of complexity?* To be determined. This should be a simple animation.
C. *How many individual videos will we be providing?* To be determined. Designer will recommend clips for editing purposes.
D. *Is the total running time five minutes…or is it five minutes for each video to be selected?* This will be one, 5-minute video clip that will be activated with the motion detector. Delete Section 115500, Part 1.1.C.7.ii.3 Requirement " To program video clips as needed to allow visitors to select individual videos."
E. *Will there be narration or music or sound effects?* No, but it will require Closed Captions.

Item 18 AV#10 Pack Your Ship Interactive (Custom Program)
Questions addressed below:
A. *What is the nature of the audio we are to supply?* Sound effects to identify a correct answer.
B. *Is it sound effects only or will it involve voices and narration that will require a script?* No voices or narration.
C. *Will we need to research content?* No, script to be provided by the Designer.

Item 19 AV#11 Fishing Video
Questions addressed below:
A. *Will this require a script?* No
B. *Will this require narration?* No
C. *Will this require music and sound effects?* No, but it will require Closed Captions.

Item 20 AV#12 Lyle Gun and Life-Saving Video
Questions addressed below:
A. *Will this require a script?* No
B. *Will this require narration?* No
C. *Will this require music and sound effects?* No, but it will require Closed Captions.
